Love for the Long Term

Wednesday, 15 February 2006

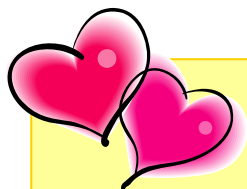

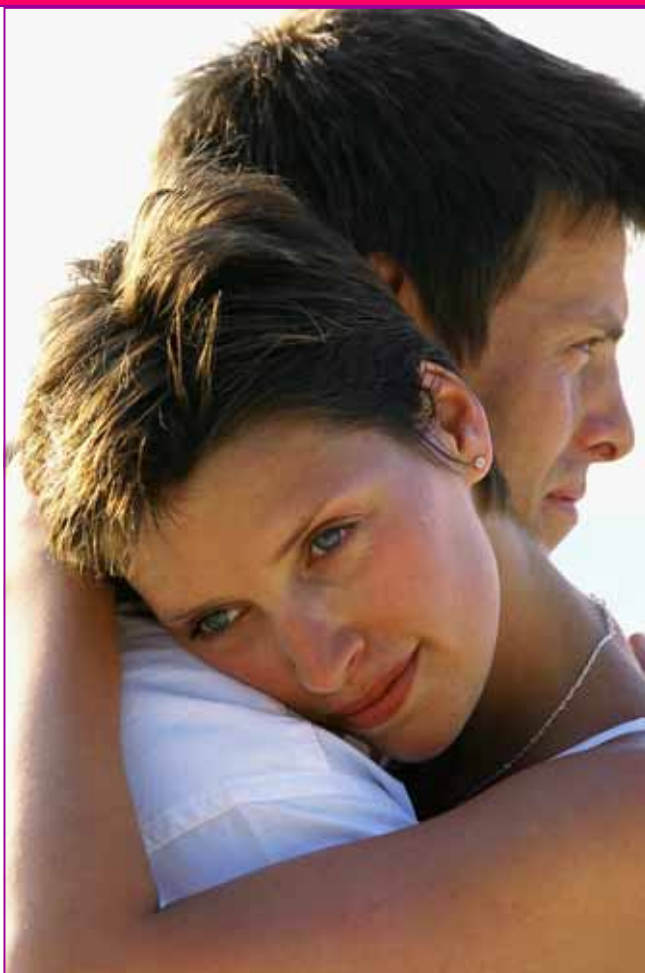

1145-1245

**Community Support Center, Building 1520
Classroom 4**

Love feels great. But ouch! It sure can hurt when things start to go wrong. Studies show that the feeling of being “in love” usually lasts about 18 months or less. Almost 50 percent of marriages in the United States end in divorce.

Come to this one-hour class to learn the seven keys to a thriving relationship. You'll also learn the six signs that predict relationship failure.
